

KUTRIMMER

PAPER CUTTER AND TRIMMER COMBINED

**NEW PAPER TRIMMER
CUTS UP TO
50 SHEETS
IN ONE
OPERATION!**

Offices and factories everywhere will find the "KUTRIMMER" an essential aid to efficient operation! Designed to cut up to *fifty* sheets at one time, the "KUTRIMMER" will prove its usefulness many times over! Simply insert paper—set clamp—pull down cutter handle and up to *fifty* sheets are ready for your use! Check your needs, select from seven different

models; there is a "KUTRIMMER" designed for you.

"KUTRIMMER" Suitable for Many Materials
In addition to paper, the "KUTRIMMER" will cut carbon paper, cardboard, fibreboard, foils, rubber, fabrics, leather, linoleum, felt, thin plywood, thin soft metal and many similar materials.

Perfect for the Photo Lab. Perfect as a mat trimmer.

"KUTRIMMER"

Features Give More
Service Than
Any Other Trimmer

Cuts up to 50 sheets of paper
(more than any trimming boards)
■ *Hand-operated paper clamp
swings aside for trimming special,
bulkier materials ■ Paper guide
extends to side for fast, clean re-
peat cuts (calibrated front knob
moves guide to divisions of 1/16")
■ Adjustable alignment bar to set
width of cut ■ Upper and lower
trim guides with metal scales ruled
in 1/16th inches for accuracy ■
Standard trim sizes engraved into
table to simplify cutting ■ Knife
of high quality steel produces high
cutting efficiency ■ Floor models
70U, 80U and 110U have foot-
operated clamp

*Models: Solid 36, 55, 70 & 80

Floor Model
Treadle-operated.
Complete with stand.
